WALLED GARDEN

Memorial Sponsorship & Donations Policy

At Raasay Walled Garden, we understand how deeply people value creating a lasting tribute to loved ones who have passed away. The garden is a place of beauty, reflection, and connection — and we are honoured that community members wish to include it in their remembrance.

Donations towards a tree, plant, or specific garden project are very welcome; however, these must fit within the garden's existing design and planting plans. This ensures that every addition supports the overall health, balance, and sustainability of the space. The garden team will be happy to discuss current or upcoming projects where such a contribution could be meaningfully included.

We are unable to display plaques; however, we are currently exploring how memorials might be thoughtfully woven into the garden in the future — in ways that reflect the spirit of the place. As these ideas develop, we will continue to hold the memories of loved ones close through our 'In Remembrance page' kept within the garden's portfolio. This record will acknowledge those who have been honoured through donations, sponsorships, or special contributions, ensuring their names and stories remain part of the garden's living history.

If you would like to make a memorial donation or sponsorship, please:

- **Submit a Request** – Write to the Raasay Walled Garden Team via email raasaywalledgarden@gmail.com or contact one of the Garden Team.
- **Team Review** – The Walled Garden Team will review your request at our next monthly meeting to ensure it aligns with our garden plan.
- **Follow-Up Conversation** – A member of the team will contact you to discuss available options.
- **Confirmation & Acknowledgement** – Once agreed, we'll confirm your sponsorship and/or donation.

We aim to treat every memorial enquiry with kindness, care, and respect.

Our goal is to create ways of remembrance that are sustainable, inclusive, and meaningful.
